United States Naval Academy

Parents' Club of Central New England

Proudly Serving MA, NH, and RI

The USNA-PCCNE, INC. (a 501(c)(3) corporation) is comprised of parents & families of United States Naval Academy Midshipmen and graduates. The specific purpose of the Club is to support the U.S. Naval Academy and the midshipmen in attendance. In addition to conducting direct support activities for midshipmen, the Club also provides information to graduates and to the parents of U.S. Naval Academy appointees (including those appointed to, or attending the Naval Academy Preparatory School [NAPS] or any Foundation School), as well as to other interested parties such as step-parents, grandparents, guardians, siblings or friends and the general public.

Sending a son or daughter to a service academy is very different from sending them to a civilian university or college. Essential to the success of every midshipman is a well informed and educated parent/guardian/family. The Club provides guidance, education, support and programs which helps give the necessary encouragement to accomplish this task. For example, the Club hosts meetings and events with speakers which will provide the opportunity for parents to learn more about the education and training their sons and daughters are receiving.

The USNA-PCCNE hosts several social, supportive events through the year. Some examples are: "**Welcome Aboard**", which welcomes all new appointees and their families; "**Plebe Parents' Picnic**" to hear the progress of our Plebes several weeks into their training at the U.S. Naval Academy; the "**All Academies Holly Ball**", a festive military holiday ball for Midshipmen and Cadets from all service academies. We also provide food and refreshments at tailgate parties for USNA sports teams and send "care packages" and birthday cards to our Midshipmen.

All proceeds from our 1st Annual Golf Tournament will be used to support the many events hosted by the Club.

We invite you to join us for this very special and fun event by signing up to play golf or become a sponsor. Thank you in advance for supporting our future military leaders and their families.

GO NAVY!!!!!!!!!!!!
